Statement on the "Furlough Fellowship of Service"

Paper No. I.

These days require and offer a stronger and a more intensive and extensive interprotation and promotion of the cause of foreign missions. We call attention to the Board Statement of February 16, 1942 to sustain this fact.

To meet this need and challenge, the Board has authorized the institution of a "furlough fellowship of service." This fellowship will be made up of furloughed missionaries who on regular furlough salary and allowances will be retained by the Board under the direction of the Home Base Department for promotional service. This company of missionaries will be divided into two groups: A. Those who are in a position to give full time to this particular promotion. B. Those who will be retained by the Board for part time promotion, also on furlough salary and allowances, but who have been given additional responsibilities other than promotion (for example study, research, special assignments, etc.): this group will include also wives, of husbands on the field, who have the care of children.

Churches which have been supporting those missionaries on the field will be asked to continue their support for this furlough project. Wherever this is not possible, support will be sought from other churches or from general funds as the Board may determine.

The furlough fellowship of service is to begin officially on September 1, 1942 and to continue for one year with the understanding that at the Board Promotional Conference in 1943 the project will be reconsidered and its future determined.

The following places have been designated as "furlough fellowship of service" centers: Eastern Area: New York and Westchester; Brooklyn-Nassau, Long Island; Erie; Albany, Utica, Otsego, Syracuse; Cayuga, Rochester, Lyons, Geneva; Buffalo-Niagara, Steuben-Elmira, Genesee; Huntingdon, Northumberland, Carlisle, Donegal; Shenango, Beaver, Butler, Kittanning, Clarion; Pittsburgh, Washington, Redstone; Philadelphia North, Jersey City, New Brunswick, Elizabeth, Morris-Orange; Baltimore, Washington, Wilmington; Central Area: Chicago; Indianapolis; Cleveland; Cincinnati; Davenport; Detroit; Minneapolis; St. Louis; Kansas City; Denver; Omaha; Southwest (Texas); Western Area: San Francisco; Los Angeles; Seattle; Portland; Spokane; Albuquerque; San Diego and Berkeley. Missionaries in the "furlough fellowship of service" who are assigned to these centers will be responsible to the Area secretaries in carrying out the specific promotional program, as set up by the Promotional Secretary in cooperation with the Area Secretarios.

Missionaries living in any one of the above mentioned areas will participate in all zoning activities of the area, will be available for visitation of local churches for periods long enough to build themselves into the life of those churches, will lead foreign missions teams in "world Christian fellowship" occasions, "priorities" campaigns, will plan for personal interviews and conferences with local church, synod, synodical, presbytery and presbyterial leaders and will be available for general speaking appointments as their schedules may allow. These missionaries will be key leaders in the cause of the world mission of the church in whatever area they are assigned. They will guide leaders and individuals in their understanding and interpretation of the cause of foreign missions throughout the world today.

Report to Geneva Presbytery, April 21, 1942

During the months of January, February and March of this year I was serving under the Presbyterian Emergency Service Commission in co-operation with Rev. Howard V. Yergin, D.D., Synodical Secretary and a Committee of Geneva Presbytery

composed of Messers Hewitt, Campbell and Owen.

The task assigned to me as stated in Dr. Yergin's letter of Nov. 28, 1941, was "To make a thorough study of the present and future situations" in the Seneca Ordinance Depot area, "and in conference with the local pastors and Geneva Presbytery, to suggest a long range program for the churches affected", particularly Romulus and W. Fayette. In addition it was expected that I would supply occasionally the pulpits of vacant churches and speak on missions in as many of the churches of Presbytery as possible.

By the time I had arrived, the number employed in the Depot had been reduced from thousands to hundreds and these were scattered over a wide area so that not more than fifty were residing in Romulus and vicinity and among these only about half a dozen families, some of them living in trailers.

I called on the most of these and distributed some Christian literature. Ten replies were received in answer to a questionnaire sent out to the churches of the Presbytery. In answering the question, "Has there been an increase of families and workers withing the bounds of your congregation?", four replied "No"; three replied, "a few" while the others replied fro; 6 to 60, the most of the increase being in Materloo. We interviewed Maj. Botsford of the Depot three times and while he received us cordially and was sympathetic with our aims, we were unable to institute any organized work, aside from calling, among the employees.

In talking with the officers of the Romulus and W.Fayette churches, their membership has been reduced considera/bly because of the removal of supporting families from the occupied area. The W.Fayette church is on a self-supporting basis with a student pastor and a reduced budget. The Romulus church finds it difficult to raise \$50.a month for the support of a pastor. Other churches in the Presbytery have not been serious affected. Only a few of the employees or members of their families are reported as attending our Presbyterian churches.

It is persistently rumored that houses for 50 families are to be erected in the Romulus area. If this is done, the Romulus churches will be benefitted in time but as yet the Romulus Presbyterian Chucken at least will need aid from the Board of Mational Missions unless the paster employed can serve two other nearby churches as well.

During these three months I have spoken on missions in I2 of the churches of the Presbytery and also addressed the Ministers'Association and the Rotary Club in Geneva. Mrs. Rhodes including two engagements not yet filled will have spoken to organizations in 19 of the churches of the Presbytery.

Since the Canoga church is without a pastor I have supplied the pulpit

there a number of times and the pulpit of the W. Fayette church, once.

Beginning April Ist a six months arrangement has been made whereby I am to supply the Romulus and // Canoga churches together with doing what I can among the employees of the Seneca Ordinance Depot. The financial arrangement is to receive \$50.a month from the Emergency ///////Commission,\$43.33 from the Board of National Missions,\$8.50 rent for the Manse, and \$98.17 from the churches. Good friends in the Romulus Church have very kindly furnished the Manse for temporary occupancy.

To summarize I have spoken or preached 25 times in I2 churches plus 2 special addresses to with an aggregate attendance for all of II50; have made 40 some calls in Romulus and 23 in Canoga; attended 2 congregational meetings and 3 elders and trustees meetings, and taught regularly in the Sunday School

up to April Ist.

Mrs.Rhodes and I have enjoyed the fellowship with the churches and with the members of Presbytery. During these six months the opportunites for services will increase as we become better acquainted with people in and out of the church and have a part in helping with the work that should be done.

Respectfully submitted, Harry A. Rhodes

III. Committee conferences: One meeting with Messers Hewitt, Campbell and Owen in Geneva.

Two meetings with Messers Hewitt and Owen in Ovid One conference with Mr. Campbell in "aterloo.

IV. Two conferences with Major, Botsford by Mr. Owen and myself.

V. Questionnaire sent out to all the churches: Replies from Maples, Gensva (First); Geneva (North), Waterloo, Bellona, Gorham Note: Haples and Gorham report no increase in families on account of the Seneca Ordinance Depot; the others plus Romulus report the number of families greatly decreased.

VI. In conference with Major Botsford have the discussed the possibility of holding a short noon-day meeting once a week at the Ordinance Depot, and of distributing printed sormons to the workes-no final action as yet.

One report suggests the plan of organizing reading room and recreational facilities for the workers. This would be expensive and as yet we have discovered no one centre where a large enough group of workers live to be attracted by such a project.

- VII. Calling: I have done some in the Romulus area but with no practical results. Have thought of having on hands a supply of Christian literature for calling. Also have thought of a card index of new families and individual workers in Romulus and vicinity, but the personnel of new people in the community changes so rapidly that Mr. Owen from his experience wonders if such a survey would be of much value. However such a survey of different areas can be made if the Committee thinks it would be worth while.
- VIII. Visits to other churches: Nessers Harper and Holt and the Gorham churc plan for this for Mrs. Phodes and myself but dates will be arranged later.

As yet no replice have been received from Camandaigua, Lodi, Caks Corners, Penn Yan, Pholps, Shortsville, and Trumansburg.

- IX.Questions: I. Should Mrs. Shodes and I seek the widest possible contact with the churches of the Presbytery with a view to speaking on missions and and enlisting additional support for the Emergency Fund or
 - 2. Should we supply a vacant church, say Conoga, regularly and combine this with cultivating new families and workers in Romulus and W. Fayette?

So far as is known now our schedule for January will be as follows:

Jan. 2-8, Westmont Church, Johnstown, Pa.for Mrs. Hhodes and myself.

- " 9-IO, Poke Run Presbyterian Church "" (Also Slickville Church)

- " 30-Feb.4, Export. "" (Also Pleasant Grove Church)

Feb. 6-9, Black Lick and Seward Churches

Feb. I3 , Greensburg, First Church, Morning Service.

So far Mrs.Rhodes and I have kept well. I have received a B Coupon Book for gas and a permit to buy three Grade Three tires which can be bought as yet. Hence, we are not using our car except around town.

Rev.Mr.and Mrs.Chadwick are coming to call on us this afternoon. Blairsville Presbytery gave me a very cordial reception with many invitations for engagements for which the dates as yet are not set.

The Somerset and Boswell Churches are looking for a pastor. The pastor of the Jeannette Church has asked by us to return for another engagement of several days. However, he may be called soon as a chaplain. The Blairsville Church is very much missionary minded.

Hoping you keep well and with best wishes for the New Year,

Rev.William N.Wysham, D.D., New York, N.Y.

Dear Dr. Wysham:

Herewith our report for January. If you would like further details when we report please let us know. In the financial statement we would need only a remittance of \$3.4I to bring the balance on hands up to \$50. However in accordance with past procedure, I am enclosing a check for \$15.00 received .which would make the remittance to me \$18.4I to bring the balance on hands up to \$50. In some of the honorariums received the donors indicate that they would like to have us use these as personal gifts but so far we have felt constrained to remit them all to the Board.

In Johnstown, Westmont and Ligonier we had the experience of several days in each of these churches. Also in Export on which I will report next month. In Westmont, we moved to a different home every day for seven days and ate noon meals at still other homes. It has its advantages in getting acquainted with more people but we found it somewhat tiresome for people of our age. That is a wonderful church. Dr. and Mrs. Stanton are given to hospitality and their spirit permeates the whole congregation.

We drove back and forth to Ligionier Rev. Mr. Martens and his congregation

were very cordial. Both these churches are loyal supporters of the Board.

Although Mrs.Rhodes has spoken several times in the Latrobe Church, this the first opportunity that I have had. Dr. and Mrs.McKee are very cordial and we see them often as they live next door. The church is the second largest in the Presbytery in gifts to benevolences. Their gifts go to the general fund as a matter of course. I do not think they feel very friendly towards the Board and do not seem interested in supporting a particular missionary or field.

The Poke Run Church is the largest rural church in this Presbytery. The pastor, Rev. John Fife is young and live and has worked up a fine missionary

interest among the young people of whom he has a great many.

I was very well received by Kittanning Presbytery. They gave more than an hour to the Foreign Missions Report and told me to take all the time I wanted.

Herewith a list of our engagements for February, not listing those we have already filled:

Feb. 6, 1944, Sunday Black Lick and Seward Churches Tuesday Blairsville Presbytery at Ist. Ch. Greensburg Feb.8th First Church of Greensburg, Morning Service Feb. I3th Feb.20th Manor, Pa. Rev. C. W. Chadwick, pastor Sunday Feb. 27th Homestead, Pa., Rev. Wm. Stoddard, pastor 11 11 Parnassus, Pa. Mar.5th Second Presby. Church, Johnstown, Pa. Mar. 24-30th. Fri. to Thurs.

Apr.3-6th Mon. to Thursday Windber Presbyterian Church Mission Study Feb.24th Fri. Eve. School of Missions address, Methodist Church, Latrobe, Pa.

This leaves Sundays, Mar. 12th, 19th and all the Sundays in April, open
The spring meetings of Washington Presby to which I belong and of Blairsville
come on the same day, April 18th which will create a problem as I ought to attend
both. Apr. 9th is Easter on which date I may be able to get a pulpit supply ene
gagement.

I received an invitation to speak in the First Church of Washington, Pa. at a Thank Offering Service on Feb. 13th but could not accept on account of the

Greensburg engagement.

This is all for the present. So far I have been able to fill all my engagements except one on the high school at Ligonier which I can work in any time. Also I did not feel well enough to attend the meeting of Washington Presbytery on Jan. 25th as I had an evening engagement in Ligonier.

Hoping you keep well and not too busy and with kindest rehards to Miss Shannon who should see Mrs. Rhodes' report at least, I am Very sincerely,

Rev. William N. Wysham, D. D. New York, N.Y.

Dear Dr. Wysham:

Herewith our reports for February. In order to leave a balance on hands of exactly \$50.00 I have subtracted \$2.69 from expenses, leaving only \$9.62 to be sent to me. Enclosed find check for \$6.00

I have been in bed the most of two days with a bad cold and am not sure I can go to Greensburg tomorrow or to Parnassus on Sunday.

Mr. Chadwick has written a letter to the churches we have not visited as yet. He also has written to Dr. Leber about the Furlough Fellowship Plan, which I also will do in a few days.

If I can get an engagement in Washington Presbytery for #M Apr. 16th I will accept it and attend the meeting of that Presbytery on the 18th as I have permission from Cross Roads to switch their date to the 23d. Unless I can secure a pulpit supply engagement for Easter, I may be idle for that day.

So far as I know everything is going well. We still have all of June and parts of May and April to complete our work in this area. By that time most of the churches will have been visited.

The Homestead engagement was the best opportunity we have had for a Sunday engagement only. Their new pastor, Mr. Stoddard is doing well. We found a very hearty response to our messages, which has been true elsewhere also, except that the attendance in Homestead was larger.

Hoping you keep well and with best wishes always, I am

Dear Dr.W.N.:

The enclosed reports for May show an expense account of \$28.53 and receipts of \$59.00 (including \$1.00 for books), for which I am enclosing checks. Also, a list of our engagements as of June Ist.

Some comments on the churches visited are as follows: I. The Monessen church is without a pastor. Their last one who was not making good resigned to become a chaplain. The church is paying off a debt and are planning to complete their building. Because of this and and because the pastor didn't urge them, their contributions to benevolences have been almost nil. The attendance at the morning service was good and the outlook for the church is promising. They asked me for a return engagement if I can come.

2. The church at Carmichaels is suffering from a ten years too long stay of their last pastor who resigned recently. The church is pring off a debt but are able to do it. There are great possibilities in this church under the leadership of the right kind of a pastor. It is a nice town with only the Meth. and

Presb. Protestant churches in it.

3. The Palmer Community church is pastorless with evening service only but with lots of young people and much interest in missions. They took up an offering of \$16.12 and gave it to me which I have sent to the Board and asked that the church be given credit and notified as to the use of their gift.

4. The Pleasant Valley Church at Clarksville, Pa. is a live small church

with splendid lay leadership who take charge when the pastor is absent. 5. Mrs. Rhodes' engagements in May included visits to the Y.W.C.A. and to Lutheran and Methodist churches. She is so much in demand that I have a hard time keeping up with her.

As to other matters, you will want to know that the income tax on house rent has not been received. I do not know why but hope the matter is not causing you embarrassment.

Wim. Johnston tells me that you are to speak in the Second Ch. here on Sunday evening. June 24th. Do you wish me to arrange for a place for you to stay overnight? We will be going to Presbytery the next day and on to Washington that evening. What about Washington? Shall I ask Paul to make a reservation at the Geo. Washington Hotel for Monday night? Or you may be planning to stay with the Butchinsons. I don't know when they are moving to Eastney

What time on Tuesday at the latest do you want to leave Washington to make your engagement in Butler? How much time for speaking would you like at each Presbytery meeting? I don't know how much we can get but would like to know your wishes.

Looking forward with pleasure to having you with us, hoping you are well and have good word from your boy, I am

Very sincerely,

Harry A. Rhodes

Dear William N.:

Herewith our report for May. The financial statement shows receipts amounting to \$27.00 and expenses, \$II.00.I am enclosing checks for the balance.

The Sunday in Vandergrift was very much worthwhile. It is a large church and there was keen interest in our messages. The engagement in Bethany Church, Johnstown, was also quite interesting.

I am puzzled to know how to avoid Sunday engagements in cases where the pastor wants to be away as happened in Ligonier. If I have another engagement, it is easy to refuse, but if I do not have another engagement, it is not so easy. Once or twice the pastor has been supplying elsewhere and has not shared with me the pulpit supply fee that he received. You must often have run into this kind of thing.

My engagements for June are as follows:

June 4th Colver, Pa., Blairsville Fresbytery, Pulpit Supply

"" IIth Cross Creek, Pa., Washington Presbytery, Pulpit supply.

"" 18th Derry, Pa., Blairsville Presbytery.

"" 25th Bentleyville, Pa., Washington Presbytery, Pastor absent.

July engagements are still tentative. I will list these later.

Looking forward to seeing you in New York and with best wishes,

Edel. May

Rev. William N. Wysham, D. D., New York, N. Y.

Dear Dr. Wysham:

Herewith our report for June. The Colver Church was very much interested. They have just called a new pastor from the Brethern Church but I can't give you his name as I was not at the meeting of Blairsville Presbytery. The situation in the Derry Church is not so encouraging. The pastor wants to leave which will be agreeable to the congregation. However, it is a good church. The New Florence church is pastorless. The Bentleyville Church is live and was much interested in my message.

Presbytery meetings did not go so well. Both chairmen were absent at the School of Religion in Pittsburg. However, Johnston of Redstone reported in the afternoon and arranged for me to speak. There was no Foreign Missions Committe meeting in either presbytery. In fact no member of the committee was present in Washington. I was told I could speak for six minutes, but it was hot and the attendance was poor, so that I did not feel that I got anywhere.

I am enclosing a check for \$56.35 received together with an expense account of \$31.46 which you will have sent to me.

My engagements for July 1/2 as follows: July 2d. Barnesboro and Spangler churches, Blairsville Presb'y, pulpit sup ly and speaking on missions.

9th.First Church, Apollo, Pa, Kittanning Presbytery.
14th. Avella, Pa, Washington Presby. This is tentative.

" I4th.Avella, Pa. Washington Presb'y. This is tentative.

A union missionary rally of representatives from several churches

16th.Cross Creek, Pa., Washington Presbytery. Pulpit supply.

The quarterly communion service.

23d .First Church, Bradford, Pa., Erie Presbytery, pulpit supply 30th. First Church of New Kensington, Pa., Blairsville Presbytery.

We have a request to conduct a School of Missions in the Second Presbyterian Church of Uniontown, Pa. the week of World Communion Sunday, five nights in October. We would like your suggestions as to how this can be done. Perhaps from your experience you can suggest on two or three different ways. It is a good church, interested in missions except that the men have not done much.

We had had quite a time getting a line on a place to live next year. It looked hopeless up to yesterday when at Dr. Clark's suggestion we drove to Uniontown and interviewed a maiden lady who lives alone and works out part time while renting her rooms. We can have two rooms up stairs and share the down stairs with her, living rooms, kitchen, laundry, etc. Also she has a double garage. In some ways it is not an ideal arrangement and in other ways it will be satisfactory. Since she and Mrs. Rhodes seemed to take to each other, I believe the arrangement would work out all right and it is the only thing in sight at present. However, the monthly rate will be \$60.00 which is almost \$10. more than we are paying here. As prices go in Uniontown, the rate of \$60. is not exhorbitant as Dr. Clark says. Will the Board be willing to allow an extra \$10. above the grant of \$25. which we have been receiving? Also, we may have to pay the rate from Aug. Ist unless she can rent the two rooms for that month. I am to let her know definitely next week.

There are other things to write but urgent matters first. With all good wishes and hoping you keep well, I am Very sincerely,

Dear Dr. "Pete":

Herewith our reports for April with expense account of \$55.31 and receipts of \$80.00 for which I am enclosing a check.

It was a busy month for both of us. The Sundays in East McKeesport, Uniontown Third and McKeesport First were high lights. We had two days in East McKeesport and morning and evening in the other two churches. All three are large churches. The pastors gave full co-operation.

At Elm Grove, W. Va. I spoke for half an hour before lunch and had another 30 minutes for questions and answers after lunch.

last Sunday at Atglen and Gap was also very interesting. In the afternoon one of the elders took me to the historic Faggs Manor Church where I men the pastor. Dr. John McNillan, founder of Jefferson College was born there. I understand that you also have connections with that church. Dr. Dan Foling is scheduled to speak/ there on the evening of May 25th.

I think I can sell IO more copies of This Is Our World Mission" Also we need a few more copies of the blanks, "Summary of Personal Activity"

All indications are that we will have full schedules up to the end of July. We have already talked over your coming to the two Presbytery meetings.

Bothe the Round Hill and Washington First engagements in July are a part of an arrangement whereby Johnston and our Paul can supply the pulpit here of the Third Church of Uniontown. This arrangement will be worthwhile I take it in creating interest in missions.

It was good to see you in New York. We are having a good year in the Furlough Fellowship which is coming to the end I am sorry to say.

With all good wishes, I am

Very sincerely,

Harry A.Rhodes

Rev. William N. Wysham, D.D. New York, N.Y.

Dear Dr. "Pete":

The enclosed reports show expenditures of \$38.70 and receipts, \$68.75 for which I am enclosing checks.

Comments on the churches visited are as follows: The Church of the Brethern at Masontown took up an offering of \$13.75 which they wanted to give to us but I took a dollar for gas and suggested that they use the balance for the missionary work of their own church.

At this service a man and his daughter, Mr. and Miss Coldren from Uniontown appeared as strangers. She persuaded her father to come because she is interested in becoming a missionary, having just graduated from the Uniontown High School. We expect to see her again and put her in touch with the Personnel Department of our Board.

Windy Gap is a country church with a live pastor, Rev. Luther McDonald who was carrying on a well attended Daily Vacation Bible School. He is doing a fine work in a difficult rural field.

The Dunbar and Bethelboro churches are still without a pastor. On this visited they suggested that Mrs. Rhodes and I bring messages on missions at both Sunday school and church which we did.

The Monessen Church is still without a paster. Their benevolent giving is at low ebb but will greatly improve when they get the right hind of paster. The church is well attended with adequate leadership.

The Women's Missionary Society of the Vestaburg Committy Church is very active. They asked about inter-denomination agencies to which they could send their money. I gave Dr. Fish the pastor a list of these.

As to our July schedule, Mrs. Rhodes and Paul think that I should go to Princeton an the time of the Institute of Theology, thinking I might get a lead on a possible location in the pastorate from September. I may do this although I dread the trip in hot weather and do not like to incur the expense involved. As yet I have not signed up for Sunday, July 22d, thinking that perhaps some church in the east may want to hear me. If you learn of possibilities not too far from Princeton please let me know.

No word has come yet in regard to the extra income tax payment because of fent the extra rent payments. I do not want you to be embarrassed over this. Since we have been paying personally, \$25.a month the last two years in order to be in the Furlough Fellowship, which we did not pay while in the pastorate since we were living in a manse, I fell justified in accepting the extra amount paid on income tax. However, I do want to be the cause of any difficulty over the matter.

Your visit and messages were very much appreciated. I feel that you were able to accomplish quite a lot as a starter on next year's program.

With best wishes always, I am

Very sincerely,

Harry A.Rhodes
